Wear a mask.
It makes a big difference.

Why? When you can’t maintain a distance of at least 6 feet, covering your mouth and nose with a mask is your best defense against catching or spreading Coronavirus.

The risk of spread is: HIGH
If a COVID-19 carrier comes in contact with a healthy person
with no mask with no mask

The risk of spread is: MODERATE TO HIGH
If a COVID-19 carrier comes in contact with a healthy person
with no mask with a mask

The risk of spread is: MODERATE TO LOW
If a COVID-19 carrier comes in contact with a healthy person
with a mask with no mask

The risk of spread is: LOW
If a COVID-19 carrier comes in contact with a healthy person
with a mask with a mask
