Breathing Disorders Center

Tariq Cheema, MD, Anil Singh, MD, Marvin Balaan, MD, Tiffany DuMont, DO and Eric Bihler, DO

The Allegheny Health Network Breathing Disorders Center is a full-service pulmonary practice with a strong focus on management of chronic respiratory disorders through evidence-based protocols. Drs. Singh and Cheema are co-directors of the center.

The high-touch, high-impact care pathways will provide our patients with:

- Robust education and support
- Consistent monitoring of symptoms through our scheduled RN Navigator follow-up assessment calls
- Same-day appointments when symptoms worsen
- Intensive monitoring and patient contact after hospitalization
- One-stop convenience of testing and physician visit through coordination of appointments and resources within the pavilion
- Seamless access to post-acute care and community resources
- Pulmonary function testing
- Oxygen testing and supplies
- Bronchoscopy
- Six-minute walk tests

Please see the back of this card for more information about the Breathing Disorders Center.

We have a great team of health care providers that have a common vision of providing a greater range of services and locations to meet your health care needs.

We specialize in the care and treatment of:

- Chronic obstructive pulmonary disease (COPD)
- Asthma
- Chronic cough
- Chronic bronchitis
- Shortness of breath/dyspnea
- Pulmonary nodules/masses
- Lung cancer screening/lung cancer
- Pulmonary fibrosis
- Sarcoidosis
- Pleural effusions
- Surgical clearance
- Occupational lung diseases
- Tuberculosis

To schedule an appointment, please call **412.DOCTORS (362.8677)**. For questions or to learn more about the Breathing Disorders Center, please visit AHN.org.
